PRS Provider's Review and Report

I. FUND INFORMATION

Fund Name

Hong Leong PRS Islamic Conservative Fund ("HLPRSICF" or "the Fund")

Fund Category

Core (Conservative)

Fund Type

Not Applicable

Investment Objective

The Fund aims to provide capital preservation* while seeking income.

Duration of the Fund and its termination date, where applicable

Not Applicable

Benchmark

Malayan Banking (Maybank) 12-month Islamic Fixed Deposit-i (FD-i)

Distribution Policy

Incidental. Distribution, if any, will be automatically reinvested into the Fund.

Note:

* Please note the Fund is neither a capital guaranteed fund nor a capital protected fund.

II. FUND PERFORMANCE

Chart 1: Performance of the Fund versus the benchmark since launch

Source: Lipper, in Malaysian Ringgit terms, ex-distribution, NAV Per Unit-to-NAV Per Unit basis with gross income (if any) from HLPRSICF reinvested.

Past performance is not necessarily indicative of future performance and unit prices and investment returns may go down, as well as up.

Performance Review

This Annual Report covers the twelve-month financial year from 1 August 2024 to 31 July 2025.

The Fund posted a return of -3.05% (based on NAV Per Unit-to-NAV Per Unit basis with gross income (if any) from the Fund reinvested) in the past twelve months while its benchmark the Maybank 12-month Islamic FD-i registered a return of 2.48%.

Since launch, the Fund has registered a return of -4.12% compared to the benchmark's return of 4.31%.

Table 1: Performance of the Fund for the following periods as at 31 July 2025 (Source: Lipper)

	3 Months	6 Months	1 Year	Since Launch
HLPRSICF Return (%)	0.63	1.16	-3.05	-4.12
Benchmark (%)	0.60	1.21	2.48	4.31

Table 2: Return of the Fund based on NAV Per Unit-to-NAV Per Unit basis for the period 31 July 2024 to 31 July 2025 (Source: Lipper)

	31-Jul-25	31-Jul-24	Return (%)
NAV Per Unit	RM0.4794	RM0.4945	-3.05
Benchmark	2.20%	2.60%	2.48
vs Benchmark (%)	-	-	-5.53

Table 3: Financial Highlights

The Net Asset Value attributable to members is represented by:

	31-Jul-25 (RM)	31-Jul-24 (RM)	Change (%)
Members' Capital	20,254	1,000	1,925.40
Retained Earnings/(Accumulated Loss)	290	(11)	2,736.36
Net Asset Value	20,544	989	1,977.25
Units in Circulation	42,856	2,000	2,042.80

Table 4: The Highest and Lowest NAV Per Unit, Total Return of the Fund and the breakdown into Capital Growth and Income Distribution for the financial period and financial year ended 31 July

	Financial Year 2025	Financial Period 2024*
Highest NAV Per Unit (RM)	0.4956	0.5000
Lowest NAV Per Unit (RM)	0.4707	0.4930
Capital Growth (%)	-3.05	-1.10
Income Distribution (%)	-	-
Total Return (%)	-3.05	-1.10

III. INVESTMENT PORTFOLIO

Chart 2: Asset Allocation – August 2024 to July 2025

Chart 3: Sector Allocation as at 31 July 2025

Strategies employed by the Fund during the period under review

During the financial year under review, the Fund has invested close to 90% in government sukuk and government guaranteed sukuk.

An explanation on the differences in portfolio composition

During the financial year under review, the Fund maintained its allocation in government and government guaranteed sukuk.

Operational review of the Fund

The 1st Supplemental Disclosure Document for the Hong Leong Private Retirement Scheme - Islamic dated 9 December 2024 was issued during the financial year under review to reflect various changes made to the Fund. Kindly refer to www.hlam.com.my for the list of changes made to the Fund.

In 4Q 2024, the US Fed cut interest rates further by 50 bps to 4.25%-4.50%, bringing the total rate cuts to 100 bps in 2024. Slower inflation and healthy job data were seen in 1Q 2025. In both January and March 2025 Federal Open Market Committee (FOMC) meetings, interest rates were kept steady at 4.50%. Post Trump's Liberation Day reciprocal tariffs could reignite inflation pressures. Market sentiments also shifted from inflationary concerns to recessionary fears to having doubts over the safe haven status of UST.

In May and June 2025 FOMC, the Fed kept interest rates unchanged at 4.25%-4.50% range amid stabilised low levels of unemployment, still solid labour market and cooler inflation data despite heightened risks on inflation and employment. Ongoing tariff tensions prolonged market uncertainty. In addition, Moody's downgraded the US sovereign rating to AA1 from AAA, citing rising debt concerns and widening deficits. Following the external headwinds and uncertainties arising from US tariffs and geopolitical tensions in the Middle East, the market is expecting two Fed rate cuts by end-2025. During the financial year under review, 2Y and 10Y UST yields declined to 3.96% and 4.23% respectively (end-July 2024: 2Y - 4.15% and 10Y - 3.98%).

The Ringgit bond market saw a sell-off in 4Q 2024 (high: 3.93%), dragged by weak UST and foreign outflows. The bond market subsequently recovered in December 2024. In 1Q 2025, the domestic bond market was also spooked by the outsized US tariff on Malaysia, causing sharp moves in bonds during April and May whereby we saw an aggressive bond rally as market swiftly priced in Overnight Policy Rate (OPR) cut by Bank Negara Malaysia (BNM) in response to tariff escalation and global economic uncertainties.

BNM lowered Statutory Reserve Requirement (SRR) ratio by 100 bps from 2% to 1% effective 16 May 2025. On 9 July 2025, BNM cut the OPR by 25 bps to 2.75% as a pre-emptive move to support economic growth. Malaysian consumer price inflation saw a modest increase in July, after two months of deceleration. The Consumer Price Index (CPI) rose by 1.2% in July 2025 (August 2024: 1.9%). During the financial year under review, 3Y, 5Y and 10Y Government Investment Issues (GII) yields dropped to 3.10%, 3.19% and 3.41% respectively (end-July 2024: 3Y - 3.34%, 5Y - 3.50%, 10Y - 3.72%).

IV. MARKET REVIEW

During the financial year under review, the United States (US) Federal Reserve (Fed) lowered the target range for the Fed Funds Rate (FFR) by 50 basis points (bps) to 4.75%-5.00% in the September 2024, marking the first rate cut since March 2020. Weak US economic data strengthened expectations of a further 100 bps rate cuts in November and December 2024, resulting in a rally for US Treasuries (UST) in 3Q 2024.

V. FUTURE PROSPECTS AND PROPOSED STRATEGIES

We expect UST yields to remain volatile with the expectations of 2 Fed rate cuts by end-2025 once hard economic data shows significant tariff impact in the second half of 2025.

On the local front, BNM has room to cut OPR by another 25 bps within the next 6 to 12 months to support economic growth amid heightened risks from tariff uncertainties and rising geopolitical tensions.

We will continue to look for trading opportunities to generate better returns.

VI. SOFT COMMISSIONS

The PRS Provider may receive soft commissions from brokers/dealers in the form of goods and services such as research materials, data and quotation services incidental to investment management of the Fund and investment related publications. Such soft commissions received are utilised in the investment management of the Fund and are of demonstrable benefit to the Fund and members and there was no churning of trades.

During the financial year under review, the Fund has not received goods or services by way of soft commissions.

VII. SECURITIES LENDING OR REPURCHASE TRANSACTIONS

No securities lending or repurchase transactions have been carried out during the financial year under review.

VIII. CROSS TRADE TRANSACTIONS

No cross trade transactions have been carried out during the financial year under review.

Notes: Q = Quarter
Y = Year

I, Chue Kwok Yan, as the Director of Hong Leong Asset Management Bhd, do hereby state that, in the opinion of the PRS Provider, the financial statements set out on pages 15 to 44 are drawn up in accordance with the provision of the Deed and give a true and fair view of the financial position of the Fund as at 31 July 2025 and of its financial performance, changes in equity and cash flows for the financial year ended 31 July 2025 in accordance with the Malaysian Financial Reporting Standards and International Financial Reporting Standards.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF HONG LEONG PRS ISLAMIC CONSERVATIVE FUND

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Our Opinion

In our opinion, the financial statements of Hong Leong PRS Islamic Conservative Fund ("the Fund") give a true and fair view of the financial position of the Fund as at 31 July 2025, and of its financial performance and its cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards.

What we have audited

We have audited the financial statements of the Fund, which comprise the statement of financial position as at 31 July 2025, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the financial year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 15 to 44.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the "Auditors' responsibilities for the audit of the financial statements" section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and other ethical responsibilities

We are independent of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information other than the financial statements and auditors' report thereon

The PRS Provider of the Fund is responsible for the other information. The other information comprises the PRS Provider's Review and Report, but does not include the financial statements of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Fund or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the PRS Provider for the financial statements

The PRS Provider of the Fund is responsible for the preparation of the financial statements of the Fund that give a true and fair view in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards. The PRS Provider is also responsible for such internal control as the PRS Provider determines is necessary to enable the preparation of financial statements of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Fund, the PRS Provider is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the PRS Provider either intends to liquidate the Fund or to terminate the Fund, or has no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements of the Fund, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the PRS Provider.

- (d) Conclude on the appropriateness of the PRS Provider's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Fund or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements of the Fund, including the disclosures, and whether the financial statements of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the PRS Provider regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

OTHER MATTERS

This report is made solely to the members of the Fund, and for no other purpose. We do not assume responsibility to any other person for the content of this report.

The accompanying notes to the financial statements form an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 31 JULY 2025

1. THE FUND, THE PRS PROVIDER AND THEIR PRINCIPAL ACTIVITIES

Hong Leong PRS Islamic Conservative Fund ("the Fund") was constituted pursuant to the execution of a Deed dated 15 September 2023 between Hong Leong Asset Management Bhd ("the PRS Provider") and CIMB Islamic Trustee Berhad ("the Scheme Trustee") for the members of the Fund.

The Fund aims to provide capital preservation while seeking income.

The Fund seeks to achieve its investment objective by investing in a basket of Islamic collective investment schemes which have similar investment objective to the Fund's investment objective of capital preservation while seeking income. Investments in Islamic collective investment schemes will be confined to those managed by the PRS Provider. The Fund will invest a minimum of 80% of its net asset value into sukuk and/or Islamic money market collective investment schemes and up to 20% of its net asset value into Shariah-compliant equity and Shariah-compliant equity related Islamic collective investment schemes and/or balanced Islamic collective investment schemes. The PRS Provider will actively monitor the Fund's investments in the selected Islamic collective investment schemes to ensure optimal returns while adhering to the Fund's pre-determined asset allocation. The PRS Provider has the flexibility to rebalance the asset allocation should it deem necessary based on the prevailing market conditions. The Fund commenced operations on 6 December 2023 and will continue its operations until terminated as provided under Part 14 of the Deed.

The PRS Provider of the Fund is Hong Leong Asset Management Bhd, a company incorporated in Malaysia. The principal activity of the PRS Provider is the management of unit trust funds, private retirement schemes and private investment mandates. Its holding company is Hong Leong Capital Berhad, a company incorporated in Malaysia and listed on the Main Market of Bursa Malaysia Securities Berhad.

The financial statements were authorised for issue by the PRS Provider on 22 September 2025.

2. MATERIAL ACCOUNTING POLICY INFORMATION

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements:

(a) Basis of preparation

The financial statements have been prepared in accordance with the Malaysian Financial Reporting Standards ("MFRS") and International Financial Reporting Standards.

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities at fair value through profit or loss.

The preparation of financial statements in conformity with MFRS and International Financial Reporting Standards requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reported financial year/period. It also requires the PRS Provider to exercise their judgement in the process of applying the Fund's accounting policies. The PRS Provider believes that the underlying assumptions are appropriate and the Fund's financial statements therefore present the financial position results fairly. Although these estimates and judgement are based on the PRS Provider's best knowledge of current events and actions, actual results may differ.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(i).

- (i) Standards, amendments to published standard and interpretations that are applicable and effective:

The Fund has applied the following standards and amendments for the first time for the financial year beginning on 1 August 2024:

- Amendments to MFRS 101 'Classification of liabilities as current or non-current' clarify that liabilities are classified as either current or non-current, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the entity's expectations or events after the reporting date (e.g. the receipt of a waiver or a breach of covenant).

- (ii) Standards and amendment that have been issued that are applicable to the Fund but not yet effective:

- Amendments to MFRS 9 and MFRS 7 'Amendments to the Classification and Measurement of Financial Instruments' (effective 1 January 2026):
 - The amendments clarify that financial assets are derecognised when the rights to the cash flows expire or when the asset is transferred, and financial liabilities are derecognised at the settlement date (i.e. when the liability is extinguished or qualifies for derecognition).
 - There is an optional exception to derecognise a financial liability at a date earlier than the settlement date if the cash transfer takes place through an electronic payment system, provided that all the specified criteria are met;
 - The amendments also clarify and add further guidance for assessing whether a financial asset meets the solely payments of principal and interest ("SPPI") criterion;

- There are additional new disclosures for certain instruments with contractual terms that can change cash flows (such as some financial instruments with features linked to the achievement of environment, social and governance targets); and

- The amendments update the disclosures for equity instruments designated at fair value through other comprehensive income ("FVOCI").

- MFRS 18 'Presentation and Disclosure in Financial Statements' (effective 1 January 2027) replaces MFRS 101 'Presentation of Financial Statements'.

- The new MFRS introduces a new structure of profit or loss statement.

- (a) Income and expenses are classified into 3 new main categories:

- i. Operating category which typically includes results from the main business activities;
- ii. Investing category that presents the results of investments in associates and joint ventures and other assets that generate a return largely independently of other resources; and
- iii. Financing category that presents income and expenses from financing liabilities.

- (b) Entities are required to present two new specified subtotals: 'Operating profit or loss' and 'Profit or loss before financing and income taxes'.

- Management-defined performance measures are disclosed in a single note and reconciled to the most similar specified subtotal in MFRS Accounting Standards.

- Changes to the guidance on aggregation and disaggregation which focus on grouping items based on their shared characteristics.

The Fund is currently still assessing the effect of the above standards and amendments. No other new standards or amendments to standards are expected to have a material effect on the financial statements of the Fund.

(b) Financial assets and financial liabilities

Classification

The Fund classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value through profit or loss, and
- those to be measured at amortised cost.

The Fund classifies its Shariah-compliant investments based on both the Fund's business model for managing those financial assets and the contractual cash flows characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. The Fund has not taken the option to irrevocably designate any equity securities¹ as fair value through other comprehensive income. The contractual cash flows of the Fund's debt securities² are solely principal and profit. However, these Shariah-compliant securities are neither held for the purpose of collecting contractual cash flows nor held both for collecting contractual cash flows and for sale. The collection of contractual cash flows is only incidental to achieving the Fund's business model's objective. Consequently, all Shariah-compliant investments are measured at fair value through profit or loss.

¹ For the purposes of the investments made by the Fund, equity securities refer to Shariah-compliant equity securities.

² For the purposes of the investments made by the Fund, debt securities refer to sukuk.

The Fund classifies cash and cash equivalents and amount due from the PRS Provider as financial assets measured at amortised cost as these financial assets are held to collect contractual cash flows consisting of the amount outstanding.

The Fund classifies amount due to the PRS Provider, amount due to the Scheme Trustee and amount due to the PPA as financial liabilities measured at amortised cost.

Recognition and measurement

Regular purchases and sales of financial assets are recognised on the trade-date – the date on which the Fund commits to purchase or sell the asset. Shariah-compliant investments are initially recognised at fair value.

Financial liabilities, within the scope of MFRS 9, are recognised in the statement of financial position when, and only when, the Fund becomes a party to the contractual provisions of the financial instrument.

Financial assets are derecognised when the rights to receive cash flows from the Shariah-compliant investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

Financial liabilities are derecognised when it is extinguished, i.e. when the obligation specified in the contract is discharged or cancelled or expired.

Unrealised gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss are presented in the statement of comprehensive income within net gain or loss on financial assets at fair value through profit or loss in the financial year/period which they arise.

Dividend income from financial assets at fair value through profit or loss is recognised in the statement of comprehensive income as part of dividend income when the Fund's right to receive payments is established.

Unquoted Islamic collective investment schemes are valued at the last published net asset value per unit at the date of the statement of financial position.

Islamic deposits with licensed financial institutions are stated at cost plus accrued profit calculated on the effective profit rate method over the period from the date of placement to the date of maturity of the respective Islamic deposits, which is a close estimate of their fair value due to the short term nature of the Islamic deposits. Financial assets at amortised cost and other financial liabilities are subsequently carried at amortised cost using the effective profit rate method.

Impairment

The Fund measures credit risk and expected credit losses using probability of default, exposure at default and loss given default. Management considers both historical analysis and forward looking information in determining any expected credit loss. Management considers the probability of default to be closed to zero as these instruments have a low risk of default and the counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month expected credit losses as any such impairment would be wholly insignificant to the Fund.

Significant increase in credit risk

A significant increase in credit risk is defined by management as any contractual payment which is more than 30 days past due.

Definition of default and credit-impaired financial assets

Any contractual payment which is more than 90 days past due is considered credit-impaired.

Write-off

The Fund writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of obligor's sources of income or assets to generate sufficient future cash flows to pay the amount. The Fund may write-off financial assets that are still subject to enforcement activity. Subsequent recoveries of amounts previously written off will result in impairment gains. There are no write-offs/recoveries during the financial year/period.

(c) Functional and presentation currency

Items included in the financial statements of the Fund are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). The financial statements are presented in Ringgit Malaysia ("RM"), which is the Fund's functional and presentation currency.

(d) Income recognition

Dividend income is recognised on the ex-dividend date when the Fund's right to receive payment is established.

Profit income from Islamic deposits with licensed financial institutions and auto-sweep facility bank account are recognised on the effective profit rate method on an accrual basis.

Profit income is calculated by applying the effective profit rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets, the effective profit rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

Realised gain or loss on disposal of unquoted Islamic collective investment schemes is accounted for as the difference between the net disposal proceeds and the carrying amount of unquoted Islamic collective investment schemes, determined on a weighted average cost basis.

(e) Cash and cash equivalents

For the purpose of statement of cash flows, cash and cash equivalents comprise cash at bank and Islamic deposits held in highly liquid Shariah-compliant investments that are readily convertible to known amounts of cash with an original maturity of three months or lesser which are subject to an insignificant risk of changes in value.

(f) Distribution

A distribution to the Fund's members is accounted for as a deduction from realised reserve. A proposed distribution is recognised as a liability in the financial year/period in which it is approved by the Board of Directors of the PRS Provider.

(g) Taxation

Private retirement scheme approved by the Securities Commission Malaysia which is regarded as an approved scheme pursuant to the Act, the income accruing is exempted from tax under the Act.

(h) Members' capital

The members' contributions to the Fund meet the criteria to be classified as equity instruments under MFRS 132 "Financial Instruments: Presentation". Those criteria include:

- the units entitle the member to a proportionate share of the Fund's net asset value;
- the units are the most subordinated class and class features are identical;
- there is no contractual obligations to deliver cash or another financial asset other than the obligation on the Fund to repurchase the units; and
- the total expected cash flows from the units over its life are based substantially on the profit or loss and change in the net asset value of the Fund.

The outstanding units are carried at the redemption amount that is payable at the date of the statement of financial position if member exercises the right to put the unit back to the Fund.

Units are created and cancelled at prices based on the Fund's net asset value per unit at the time of creation and cancellation. The Fund's net asset value per unit is calculated by dividing the net assets attributable to members with the total number of outstanding units.

(i) Critical accounting estimates and judgements in applying accounting policies

The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, rarely equal the related actual results. To enhance the information content of the estimates, certain key variables that are anticipated to have material impact to the Fund's results and financial position are tested for sensitivity to changes in the underlying parameters.

Estimates and judgements are continually evaluated by the PRS Provider and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In undertaking any of the Fund's investment, the PRS Provider will ensure that all assets of the Fund under management will be valued appropriately, that is at fair value and in compliance with the Securities Commission Malaysia's Guidelines on Private Retirement Schemes.

However, the PRS Provider is of the opinion that there are no accounting policies which require significant judgement to be exercised.

3. FINANCIAL INSTRUMENTS, RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund is exposed to a variety of risks which include market risk (inclusive of price risk and interest rate risk), credit risk, liquidity risk, capital risk, Islamic collective investment scheme risk and Shariah status reclassification risk.

Financial risk management is carried out through internal control process adopted by the PRS Provider and adherence to the investment restrictions as stipulated in the Disclosure Document.

The following table analyses the financial assets and financial liabilities of the Fund in the statement of financial position as at the reporting date:

	Financial assets at FVTPL RM	Financial assets/ liabilities at amortised cost RM	Total RM
2025			
<u>Financial assets</u>			
Cash and cash equivalents	-	2,155	2,155
Amount due from the PRS Provider			
-management fee rebate	-	3	3
Financial assets at FVTPL (Note 9)	18,404	-	18,404
	18,404	2,158	20,562
<u>Financial liabilities</u>			
Amount due to the PRS Provider			
-management fee	-	16	16
Amount due to the Scheme Trustee	-	1	1
Amount due to the PPA	-	1	1
	-	18	18

	Financial assets at FVTPL RM	Financial assets/ liabilities at amortised cost RM	Total RM
2024			
<u>Financial assets</u>			
Cash and cash equivalents	-	74	74
Amount due from the PRS Provider			
-management fee rebate	-	1	1
Financial assets at FVTPL (Note 9)	915	-	915
	915	75	990
<u>Financial liabilities</u>			
Amount due to the PRS Provider			
-management fee	-	1	1
	-	1	1

All liabilities are financial liabilities which are carried at amortised cost.

(a) Market risk

(i) Price risk

Price risk arises mainly from the uncertainty about future prices of Shariah-compliant investments. It represents the potential loss the Fund might suffer through holding market positions in the face of price movements. The PRS Provider manages the risk of unfavourable changes in prices by continuous monitoring of the performance and risk profile of the Shariah-compliant investment portfolio.

The price risk is managed through diversification and selection of Shariah-compliant securities and other Shariah-compliant financial instruments within specified limits according to the Deed.

The Fund's overall exposure to price risk is as follows:

	2025 RM	2024 RM
<u>Financial assets at FVTPL:</u>		
- Unquoted Islamic collective investment scheme	18,404	915

The table below summarises the sensitivity of the Fund's net asset value and profit/(loss) after taxation to movements in prices of unquoted Islamic collective investment scheme at the end of the reporting year/period. The analysis is based on the assumptions that the price of the unquoted Islamic collective investment scheme fluctuated by 5% with all other variables held constant. This represents management's best estimate of a reasonable possible shift in the unquoted Islamic collective investment scheme having regard to the historical volatility of the prices.

% Change in price of financial assets at FVTPL	Market value RM	Impact on profit/(loss) taxation/net asset value RM
2025		
-5%	17,484	(920)
0%	18,404	-
5%	19,324	920
2024		
-5%	869	(46)
0%	915	-
5%	961	46

(ii) Interest rate risk

Interest rate risk is the risk that the value of the Fund's Shariah-compliant investments and its return will fluctuate because of changes in market interest rates.

Interest rate is a general economic indicator that will have an impact on the management of the Fund regardless whether it is an Islamic unit trust fund or otherwise. It does not in any way suggest that the Fund will invest in conventional financial instruments. All the investments carried out for the Fund are in accordance with Shariah requirements.

The Fund's exposure to the interest rate risk is mainly confined to short term placements with licensed financial institutions. The PRS Provider overcomes the exposure by way of maintaining Islamic deposits on short term basis.

As at end of the reporting year/period, the Fund does not hold any Islamic deposits and is not exposed to a material level of interest rate risk.

(b) Credit risk

Credit risk refers to the risk that an issuer or counterparty will default on its contractual obligation resulting in financial loss to the Fund.

The credit risk arising from placements of Islamic deposits with licensed financial institutions is managed by ensuring that the Fund will only place Islamic deposits in reputable licensed financial institutions.

The settlement terms of the proceeds from the creation of units receivable from the PRS Provider are governed by the Securities Commission Malaysia's Guidelines on Private Retirement Schemes.

The following table sets out the credit risk concentration of the Fund at the end of the reporting year/period:

	Cash and cash equivalents RM	Amount due from the PRS Provider - management fee rebate RM	Total RM
2025			
- AAA	2,155	-	2,155
- NR	-	3	3
	2,155	3	2,158
2024			
- AAA	74	-	74
- NR	-	1	1
	74	1	75

All financial assets of the Fund are neither past due nor impaired.

(c) Liquidity risk

Liquidity risk is the risk that Shariah-compliant investments cannot be readily sold at or near its actual value without taking a significant discount. This will result in lower net asset value of the Fund.

The PRS Provider manages this risk by maintaining sufficient level of Islamic liquid assets to meet anticipated payments and cancellations of the units by members. Islamic liquid assets comprise cash at banks, Islamic deposits with licensed financial institutions and other Shariah-compliant instruments.

The table below summarises the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at the end of each reporting year/period to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	Less than 1 month RM	1 month to 1 year RM	Total RM
2025			
<u>Financial liabilities</u>			
Amount due to the PRS Provider			
-management fee	16	-	16
Amount due to the Scheme Trustee	1	-	1
Amount due to the PPA	-	1	1
Contractual cash out flows	17	1	18
2024			
<u>Financial liabilities</u>			
Amount due to the PRS Provider			
-management fee	1	-	1
Contractual cash out flows	1	-	1

(d) Capital risk

The capital of the Fund is represented by equity consisting of members' capital and retained earnings/(accumulated loss). The amount of equity can change significantly on a daily basis as the Fund is subject to daily subscriptions and redemptions at the discretion of member. The Fund's objective when managing capital is to safeguard the Fund's ability to continue as a going concern in order to provide returns for members' and benefits for other stakeholders and to maintain a strong capital base to support the development of the Shariah-compliant investment activities of the Fund.

(e) Islamic collective investment scheme risk

This risk is associated with the Fund's investment in unquoted Islamic collective investment scheme exposing the Fund to the inherent investment risks faced by the unquoted Islamic collective investment scheme. The Fund may also be exposed to liquidity risk which may arise from the inability of the unquoted Islamic collective investment scheme to meet redemption amounts, as well as the risk of not being aligned with the Fund's mandate in the event the unquoted Islamic collective investment scheme that the Fund is invested into breaches its asset allocation limits. Therefore, should any of the risks faced by the unquoted Islamic collective investment scheme materialised, the performance of the Fund will be affected.

(f) Shariah status reclassification risk

This risk refers to the risk that the currently held unquoted Islamic collective investment schemes, Islamic money market instruments or Islamic deposits in the portfolio of the Fund may be reclassified as Shariah non-compliant by the Shariah Advisory Council of the Securities Commission ("SAC of the SC"), the Shariah Adviser or the Shariah authorities of the relevant Islamic indices. If this occurs, the PRS Provider will take the necessary steps to dispose of such collective investment schemes, money market instruments or deposits.

(g) Fair value estimation

Financial instruments comprise financial assets and financial liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The information presented herein represents the estimates of fair values as at the date of the statement of financial position.

The Fund's financial assets and financial liabilities are measured on an ongoing basis at either fair value or at amortised cost based on the respective classification.

The fair value of financial assets traded in active market (such as trading Shariah-compliant securities) are based on quoted market prices at the close of trading on the reporting date. The Fund utilises the last traded market price for financial assets where the last traded price falls within the bid-ask spread. In circumstances where the last traded price is not within the bid-ask spread, the PRS Provider will determine the point within the bid-ask spread that is most representative of the fair value.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

The fair value of financial assets that are not traded in an active market is determined by using valuation techniques. The Fund uses a variety of methods and makes assumptions that are based on market conditions existing at each year/period end date. Valuation techniques used for non-standardised financial instruments such as Islamic options, Islamic currency swaps and other over-the-counter Islamic derivatives, include the use of comparable recent arm's length transactions, reference to other Shariah-compliant instruments that are substantially the same, discounted cash flow analysis, option pricing models and other valuation techniques commonly used by market participants making the maximum use of market inputs and relying as little as possible on entity-specific inputs.

For instruments for which there is no active market, the Fund may use internally developed models, which are usually based on valuation methods and techniques generally recognised as standard within the industry. Valuation models are used primarily to value unlisted Shariah-compliant equity and sukuk instruments for which market were or have been inactive during the financial year/period. Some of the inputs to these models may not be market observable and are therefore estimated based on assumptions.

The output of a model is always an estimate or approximation of a value that cannot be determined with certainty and valuation techniques employed may not fully reflect all factors relevant to the positions the Fund holds. Valuations are therefore adjusted, where appropriate, to allow for additional factors including model risk, liquidity risk and counterparty risk.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis.

(i) Fair value hierarchy

The table below analyses financial instruments carried at fair value. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active market for identical assets or liabilities (Level 1);
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2); and
- Inputs for the asset and liability that are not based on observable market data (that is, unobservable inputs) (Level 3).

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that requires significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes 'observable' requires significant judgement by the Fund. The Fund considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary and provided by independent sources that are actively involved in the relevant market.

The following table analyses within the fair value hierarchy of the Fund's financial assets (by class) measured at fair value:

	Level 1 RM	Level 2 RM	Level 3 RM	Total RM
2025				
<u>Financial assets at FVTPL:</u>				
- Unquoted Islamic collective investment scheme	-	18,404	-	18,404
2024				
<u>Financial assets at FVTPL:</u>				
- Unquoted Islamic collective investment scheme	-	915	-	915

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within Level 2. This include unquoted Islamic collective investment scheme. As Level 2 instruments include positions that are not traded in active markets and/or are subject to transfer restrictions, valuations may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information. The Fund's policies on valuation of these financial assets are stated in Note 2(b).

- (ii) The carrying values of financial assets (other than financial assets at FVTPL) and financial liabilities are a reasonable approximation of their fair values due to their short term nature.

4. MANAGEMENT FEE AND MANAGEMENT FEE REBATE

In accordance with Division 15.1 of the Deed, the PRS Provider is entitled to a management fee of up to 3.00% per annum calculated daily based on the net asset value of the Fund.

For the financial year ended 31 July 2025, the management fee is recognised at a rate of 1.00% (6 December 2023 (date of launch) to 31 July 2024: 1.00%) per annum.

The management fee rebate relates to the rebate received from the PRS Provider for investing in unquoted Islamic collective investment scheme. The rate of rebate was calculated on the net asset value of respective unquoted Islamic collective investment scheme on a daily basis as follow:

	01.08.2024 to 31.07.2025 %	06.12.2023 (date of launch) to 31.07.2024 %
<u>Unquoted Islamic collective investment scheme:</u>		
- Hong Leong Dana Al-Safa' (MYR Class A)	0.20	0.20

There is no further liability to the PRS Provider in respect of management fee other than the amount recognised above.

5. SCHEME TRUSTEE'S FEE

In accordance with Division 15.2 of the Deed, the Scheme Trustee is entitled to a fee not exceeding 2.00% (excluding foreign custodian fees and charges) per annum calculated daily based on the net asset value of the Fund.

For the financial year ended 31 July 2025, the Scheme Trustee's fee is recognised at a rate of 0.04% (6 December 2023 (date of launch) to 31 July 2024: 0.04%) per annum.

There is no further liability to the Scheme Trustee in respect of Scheme Trustee's fee other than the amount recognised above.

6. PRIVATE PENSION ADMINISTRATOR'S ("PPA") ADMINISTRATION FEE

For the financial year ended 31 July 2025, the PPA's administration fee is recognised at a rate of 0.04% (6 December 2023 (date of launch) to 31 July 2024: 0.04%) per annum calculated daily based on the net asset value of the Fund.

There is no further liability to the PPA in respect of PPA's administration fee other than the amount recognised above.

7. AUDITORS' REMUNERATION, TAX AGENT'S FEE AND SHARIAH ADVISORY FEE

For the financial year ended 31 July 2025 and financial period from 6 December 2023 (date of launch) to 31 July 2024, auditors' remuneration, tax agent's fee and Shariah advisory fee were borne by the PRS Provider.

8. TAXATION

	01.08.2024 to 31.07.2025 RM	06.12.2023 (date of launch) to 31.07.2024 RM
Tax charge for the financial year/period:		
Current taxation	-	-

The numerical reconciliation between profit/(loss) before taxation multiplied by the Malaysian statutory income tax rate and tax expense of the Fund is as follows:

	01.08.2024 to 31.07.2025 RM	06.12.2023 (date of launch) to 31.07.2024 RM
Profit/(loss) before taxation	301	(11)
Taxation at Malaysian statutory rate of 24% (2024: 24%)	72	(3)
Tax effects of:		
Shariah-compliant investment income not subject to tax	(121)	(4)
Expenses not deductible for tax purposes	15	5
Restriction on tax deductible expenses for PRS Fund	34	2
Taxation	-	-

9. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS ("FVTPL")

	2025 RM	2024 RM
Financial assets at FVTPL:		
Unquoted Islamic collective investment scheme	18,404	915

	01.08.2024 to 31.07.2025 RM	06.12.2023 (date of launch) to 31.07.2024 RM
Net gain/(loss) on financial assets at FVTPL:		
Changes in unrealised fair values	19	(1)
Management fee rebate (Note 4)	31	-
	50	(1)

Financial assets at FVTPL as at 31 July 2025 are as detailed below:

	Quantity Units	Aggregate cost RM	Fair value RM	Percentage of net asset value %
UNQUOTED ISLAMIC COLLECTIVE INVESTMENT SCHEME				
Hong Leong Dana Al-Safa' (MYR Class A)	18,406	18,386	18,404	89.58
TOTAL UNQUOTED ISLAMIC COLLECTIVE INVESTMENT SCHEME	18,406	18,386	18,404	89.58
UNREALISED GAIN ON FINANCIAL ASSETS AT FVTPL		18		
TOTAL FAIR VALUE OF FINANCIAL ASSETS AT FVTPL		18,404		

Financial assets at FVTPL as at 31 July 2024 are as detailed below:

	Quantity Units	Aggregate cost RM	Fair value RM	Percentage of net asset value %
UNQUOTED ISLAMIC COLLECTIVE INVESTMENT SCHEME				
Hong Leong Dana Al-Safa' (MYR Class A)	916	916	915	92.52
TOTAL UNQUOTED ISLAMIC COLLECTIVE INVESTMENT SCHEME	916	916	915	92.52
UNREALISED LOSS ON FINANCIAL ASSETS AT FVTPL		(1)		
TOTAL FAIR VALUE OF FINANCIAL ASSETS AT FVTPL		915		

10. SHARIAH INFORMATION OF THE FUND

The Shariah Adviser confirmed that the investments portfolio of the Fund is Shariah-compliant, which comprises:

- Collective investment scheme which has been verified as Shariah-compliant by the Shariah Adviser; and
- Cash placements and liquid assets in local market, which are placed in Shariah-compliant investments and/or instruments.

11. UNITS IN CIRCULATION

	01.08.2024 to 31.07.2025 No. of units	06.12.2023 (date of launch) to 31.07.2024 No. of units
At the beginning of the financial year/period	2,000	-
Add: Creation of units during the financial year/period		
- Arising from applications	40,856	4,000
Less: Cancellation of units during the financial year/period	-	(2,000)
At the end of the financial year/period	42,856	2,000

12. TOTAL EXPENSE RATIO ("TER")

	01.08.2024 to 31.07.2025 %	06.12.2023 (date of launch) to 31.07.2024 %
TER	1.36	4.07

Total expense ratio includes management fee (excluding management fee rebate), Scheme Trustee's fee, PPA's administration fee and other expenses for the financial year/period divided by the Fund's average net asset value calculated on a daily basis and is calculated as follows:

$$\text{TER} = \frac{(A+B+C+D)}{E} \times 100$$

Where;

- Management fee (excluding management fee rebate)
- Scheme Trustee's fee
- PPA's administration fee
- Other expenses
- Average net asset value of the Fund calculated on a daily basis

The average net asset value of the Fund for the financial year/period calculated on a daily basis is RM17,292 (2024: RM997).

13. PORTFOLIO TURNOVER RATIO ("PTR")

	01.08.2024 to 31.07.2025 Times	06.12.2023 (date of launch) to 31.07.2024 Times
PTR	0.49	0.50

PTR is derived from the following calculation:

(Total acquisitions for the financial year/period + total disposals for the financial year/period) / 2

Average net asset value of the Fund for the financial year/period calculated on a daily basis

Where;

total acquisitions for the financial year/period
= RM17,000 (2024: RM950)

total disposals for the financial year/period
= NIL (2024: RM50)

14. UNITS HELD BY THE PRS PROVIDER AND RELATED PARTIES TRANSACTIONS AND BALANCES

The related parties and their relationships with the Fund are as follows:

<u>Related parties</u>	<u>Relationships</u>
Hong Leong Asset Management Bhd	The PRS Provider
Hong Leong Islamic Asset Management Sdn Bhd	Subsidiary of the PRS Provider
Hong Leong Capital Berhad	Holding company of the PRS Provider
Hong Leong Financial Group Berhad ("HLFG")	Ultimate holding company of the PRS Provider
HLB Nominees (Tempatan) Sdn Bhd	Subsidiary of the ultimate holding company of the PRS Provider
Subsidiaries and associates of HLFG as disclosed in its financial statements	Subsidiaries and associate companies of the ultimate holding company of the PRS Provider

No units were held by the PRS Provider and parties related to the PRS Provider as at 31 July 2025 and 31 July 2024.

In addition to related party disclosures mentioned elsewhere in the financial statements, set out below are other related party transactions and balances. The PRS Provider is of the opinion that all transactions with the related companies have been entered into at agreed terms between the related parties.

	2025 RM	2024 RM
<u>Related party balances</u>		
Cash at bank:		
- Hong Leong Islamic Bank Berhad	2,155	74

	01.08.2024 to 31.07.2025 RM	06.12.2023 (date of launch) to 31.07.2024 RM
<u>Related party transactions</u>		
Profit income from auto-sweep facility bank account:		
- Hong Leong Islamic Bank Berhad	17	-
Dividend income from unquoted Islamic collective investment scheme managed by the PRS Provider:		
- Hong Leong Dana Al-Safa' (MYR Class A)	470	17
Purchase of unquoted Islamic collective investment scheme:		
- Hong Leong Asset Management Bhd	17,000	950
Disposal of unquoted Islamic collective investment scheme:		
- Hong Leong Asset Management Bhd	-	50

15. TRANSACTIONS WITH BROKERS/DEALERS

For the financial year ended 31 July 2025 and financial period from 6 December 2023 (date of launch) to 31 July 2024, there are no transactions with brokers/dealers.

16. COMPARATIVES

The financial statements for the current year is prepared for the financial year from 1 August 2024 to 31 July 2025 whilst the comparable period, it is prepared for the financial period from 6 December 2023 (date of launch) to 31 July 2024.

Therefore, the comparatives for the statement of comprehensive income, statement of changes in equity, the statement of cash flows and related notes are not comparable to the financial year from 1 August 2024 to 31 July 2025.

(Returns are calculated after adjusting for distributions and/or additional units, if any)

^ The figure shown is for the period since Fund launch (6 December 2023 to 31 July 2024).

The TER was 2.71 percentage point lower as compared to 4.07% for the financial period ended 31 July 2024 mainly due to higher average net asset value of the Fund.

The PTR decreased by 0.01 times (2.00%) to 0.49 times for the financial year ended 31 July 2025 versus 0.50 times for the financial period ended 31 July 2024 mainly due to higher average net asset value of the Fund.
